ITEMS AND INDICATORS		DATA			Notes	DEF.
		2009	2010	2011		
	<b>B1 Healthcare coverage of population</b>	<p>Healthcare services are free of charge for about 75% of the population. 15% to 20% benefit from a reduced tariff for the access to healthcare. Universal charge at a very low tariff (€3.40-€20.50 depending on whether one is charged or not a fee for healthcare service) is made for inpatient care, by the government. Casualty is provided free of charge for everyone. In the Private health sector, payment of fees is on a fee for service basis or medical funds (fully or partly) operated by trade unions or employers.</p>			Department of Medical and Public Health Services, Ministry of Health Cyprus	<a href="#">see def.</a>
	<b>B2 Gate-keeping system</b>	<p>In the private health sector patients are free to choose their doctor, by private physicians or at polyclinics. In the Public sector, patients are free to choose their own doctor by direct appointment or referrals to specialist care that are made by GPs.</p>			Department of Medical and Public Health Services, Ministry of Health Cyprus	<a href="#">see def.</a>

		B9	Public funding	Funding of hospitals is provided out of the government budget mainly through taxes. A healthcare insurance fund will be introduced with the implementation of National General Health Scheme.			Department Medical and Public Health Services., www.mof.gov.cy, www.hio.org.cy

ITEMS AND INDICATORS		DATA			Notes	DEF.	
		2009	2010	2011			
C	HOSPITAL GOVERNANCE	C1 Administration and management	Public Hospitals belong to the State. The administration and organization of hospitals is done at government level. The Department of Medical and Public Health Services, Ministry of Health, is responsible for all hospitals' administration and management. An ongoing reform shall functionally decentralize hospital management, after the implementation of National General Health Scheme.			Department Medical and Public Health Services, <a href="http://www.moh.gov.cy">www.moh.gov.cy</a> , <a href="http://www.hio.org.cy">www.hio.org.cy</a>	<a href="#">see def.</a>
		C2 Surveillance authority	The overall coordination of the hospital system is centralised. The government is responsible for Health Services. The Ministry of Health is responsible for health policy and the corresponding budgetisation.			Department Medical and Public Health Services	<a href="#">see def.</a>
