# Sláintecare

## Healthy Communities

2021-2023

01 Right care

02 Right place

03 Right time

# Sláintecare

- Equitable access to services based on need and not the ability to pay
- Early discharges; care closer to home
- Prevention - Health and Wellbeing

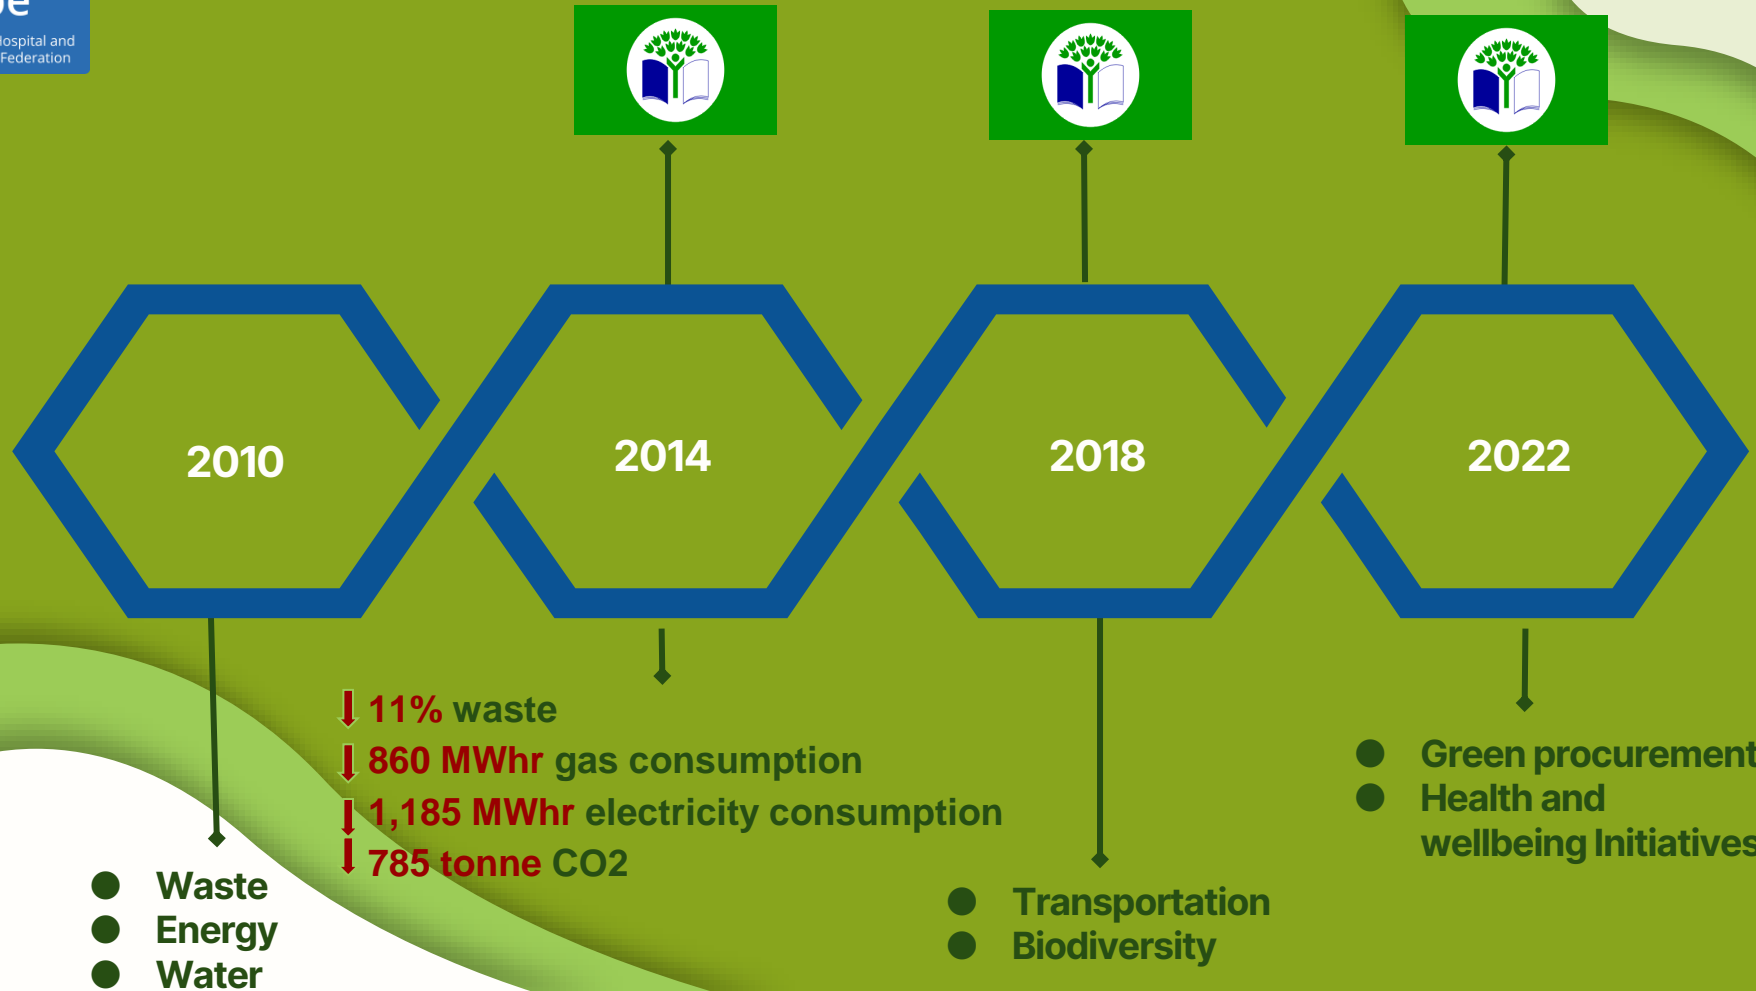

## Example 1

# Three Green flags of Cork University Hospital

## Example 2

# Cycle Clinic- Mobile Bike Doctor in SJH

- National "Cycle to Work Scheme"
- 48% reduction for a new bike and equipment
- Full range of repairs for free
- On-site bike parking
- Shower, locker and drying room facilities for staff.
- E-bikes available to use for free

Benefits for Occupational Health and the Environment

## Example 3

# Electric ambulance - Cork University Hospital

- Zero Emissions Ambulance

Towards a **Greener** Future...

# Go Green!

# Go Ireland!

Thank ye..
