

Workshop #3

Implementation of a PPI process

20th July 2023, 9:00–13:00 CEST

Online (Microsoft Teams)

Registration link [here](#).

The [Health InnoFacilitator](#) Workshop #3 Implementation of a PPI process, organized by [Science & Innovation Link Office \(SILO\)](#), will guide you step-by-step for a successful implementation of a PPI.

This is the 3rd, and final, workshop of a series of three oriented towards providing public buyer management teams, as well as suppliers, with the necessary basic skills to prepare and launch a public procurement procedure and to successfully participate in it.

AGENDA

- 9:00 **Welcome**
by Raquel Ares, Manager at SILO, InnoFacilitator partner
- 9:05 **The InnoFacilitator project – Introduction**
by Silvia Paoletta, International Affairs Coordinator at Medicen, InnoFacilitator Project Coordinator
- 9:15 **PPI process, project monitoring and evaluation systems**
by Ana Miquel Gómez, Head of Innovation and International Projects, SERMAS
- 10:30 **Coffee break**
- 11:00 **Implementation of innovative products and services as a result of the PPI.
